

1

## QUALIFY FOR SURROGACY

The Intended Parents need to meet the criteria for surrogacy in their State.

2

## MEDICAL ASSESSMENT

The Surrogate attends for a medical assessment by an Obstetrician.

3

## COUNSELLING

All parties involved have counselling about the surrogacy arrangement.

4

## LEGAL ADVICE

The Intended Parents and the Surrogate and her partner obtain legal advice from two different lawyers.

5

## PSYCHOLOGICAL ASSESSMENT

Some Clinics and States require the parties to be psychologically assessed.

6

## APPROVAL

The surrogacy arrangement is approved by the Clinic or external Committee before any embryo transfer can occur.
